## Formal Pastoral Newsletter

The children in 2BT will be taking part in an Easter egg hunt on Friday. How many eggs will they find?

A big thank you to Rocco Zecca, father of Michael Zecca, for raising over **10,000** pounds and completing a Guinness World Record by running 28 half marathons in 28 days. All money raised will go towards the building of a Rebound Room.

### Mowbray Movers

Our school community was set a challenge to see how far we could walk this term. In the final week of the challenge, children and staff walked a total of 1,002 miles. This took us to the Abu Simbel Temples in Egypt, which is a UNESCO World Heritage Site.

Over the six-week period, children and staff walked a total of 3,058 miles. This is fantastic! Well done everybody!

### Forest School

This term, the children in 1SH have been learning to forage. They found a range of natural objects such as sticks, leaves, twigs and feathers.

Can you make a Nature Sculpture?
