

Mowbray School Year 7 literacy and numeracy catch up funding for the academic year 2019/20

This document explains how the school has planned to use its allocation of funding for the year 7 literacy and numeracy catch up funding.

We received an allocation of £11,819 for 25 year 7 pupils.

We identified that all our Year 7 pupils didn't reach the expected standards because of their SEND and the additional funds was used as detailed below.

Additional pupil support provided by staff

Speech & Language therapy enhancement groups	3 sessions per week x 39 weeks
Targeted Individual EHCP outcomes delivered to pupils.	Daily work by teaching assistants across 3 classes
Staffing costs of the above	£12,000.00

Impact of the funding

Prior to the pandemic in March 2020, intervention support was in place, as detailed above. Due to pupil and staff absence from school due to lockdown and working from home, the impact of pupil progress in these areas cannot be attributed to the funding.
