

In the Primary Department of Mowbray School “Culture and Language Days” take place to ensure objectives are covered for children in the following areas:

- National Curriculum – Modern Foreign Languages
- The North Yorkshire Agreed Syllabus of Religious Education
- Spiritual, Moral, Social and Cultural Development.

Each pathway follows the same Culture or Festival for a day each half term and planning is created to suit the needs of the children. These days are organised to ensure our children and young people access, experience and explore the curriculum at a suitable level for them individually.
