

Addendum to accompany Mowbray School policies from 01.12.24.

Mowbray School achieved academy status on 01.12.24 and is now known as Mowbray Academy. Mowbray Academy became part of the Ascent Academies' Trust (AAT) on that date.

A small number of Mowbray School's policies have been replaced by Ascent Academies' Trust policies from 01.12.24. These are listed in a schedule on the [Mowbray and Ascent Policy SharePoint pages](#)).

There is currently a period of transition between all other Mowbray School policies and those of the Ascent Academies' Trust. This is being managed over a period of time as part of a planned programme.

In the interim, any Mowbray School policies that are still in place need to be read in conjunction with this addendum, as some of the roles or organisations referred to in these policies no longer exist.

If you are unclear about anything in a policy because of these changes, please seek guidance from your Leadership Team and / or Central Services colleagues.
